NOTEWORTHY

I would like to recognize our latest Safe Sports School Award recipients: **Ashley Wollam - Crimson Cliffs High School, Miranda Zamora - Laramie High School and Marcus Maw - Mountain Crest High School.** The effort to establish a secondary school practice that identifies best practices and promotes the profession is an excellent step forward in sports safety. With each of these awards, a letter is sent from the NATA office to the respective national legislators informing them of these healthcare efforts. Congratulations!

NEXT STEPS

The 2021 RMATA Annual Clinical Symposia will be held virtually. This decision was based on many factors and determined to be in the best interest of our membership and association. Look for more information on our website and social media in the near future.

If you are interested in becoming the next RMATA Treasurer, we are looking to create a mentoring program. This is a great opportunity to participate!
